

HORRY COUNTY REZONING PROCEDURES

HORRY COUNTY PLANNING & ZONING 1301 2nd AVE. SUITE 1D09 CONWAY, SC 29526
PHONE: 843.915.5340 FAX: 843.915.6341

1. All rezoning requests must be submitted in person to the Planning Department at 1301 2nd Avenue, Suite 1D09, Conway, SC or digitally to RezoningApplications@horrycountysc.gov. All rezoning fees must be submitted in person. The standard rezoning fee is \$250. For PDD rezoning fees, please contact the department.
2. A complete application must meet the requirements of the Horry County Zoning Ordinance. See page 3 of this packet for the standard submission requirements. All PDD, MRD, and Major Residential (10 lots or more) rezoning requests, including major amendments, also need to include the submission requirements as defined within Table 1 herein. All rezoning requests within the Scenic & Conservation Future Land Use Area, as identified within the IMAGINE 2040 Comprehensive Plan, are required to submit additional information as indicated in Table 2 of this packet.
3. A pre-submittal meeting with the County Planning Department is recommended for all rezoning requests. It is required for all PDD requests and highly recommended for all MRD requests in order to ensure all requirements are met prior to submission.
4. Applicants or their representative may choose to request a Future Land Use Map Amendment at the same time of their rezoning submission, if they feel the requested zoning is inconsistent with the Horry County Comprehensive Plan.
5. Submittal deadlines and dates for the Planning Commission Workshop and Public Hearing are available on the next page.
- 6. Incomplete applications will not be accepted.**
7. Planning Commission will generally hold a Workshop on the last Thursday of the month to become familiar with rezoning request and to ask questions of the applicant and staff.
8. A public hearing is held the first Thursday of each month by the Planning Commission to consider each rezoning request. The Planning Commission makes a recommendation as to whether the property should be rezoned. Their recommendation is then forwarded to the Horry County Council for action.
9. **The Planning Commission may defer a rezoning application and place it on the following month's agenda if the applicant or a representative is not present at the Workshop and Public Hearing meetings. After two (2) such deferrals, the application shall be deemed withdrawn.**
10. County Council holds three readings for each rezoning request following the Planning Commission recommendation. County Council's second (2nd) reading of the request is generally a public hearing where public input is accepted. Third (3rd) reading is the final reading at County Council, and the rezoning is complete.
11. If at any time County Council votes to disapprove a request, the application is denied. Rezoning requests for the same classification on the same parcel(s) may not be resubmitted for a period of one year from the date of Council disapproval.
12. A maximum of 25 rezoning requests will be accepted for any given month. Once the maximum has been met, any additional requests will automatically be placed on the following month's agenda.

Applicant/Agent hereby certifies that the information provided in this application is correct and there are no covenants or deed restrictions in place that would prohibit this request.

Applicant/Agent hereby certifies that they understand that rezoning is only one step in the development process. The Applicant/Agent must also check that all requirements are met with the following Horry County Departments: Planning & Zoning - Development Review, Code Enforcement, Engineering, and Stormwater. Additionally, the applicant understands that a subdivision or combination plat during the rezoning process may result in inaccurate rezoning of the property.

A rezoning application may be deferred and placed on the following month's agenda if the applicant or a representative is not present at the Workshop and Public Hearing meeting. After two (2) such deferrals, the application shall be deemed withdrawn if the applicant fails to attend the Workshop and Public Hearing.
