**RESOLUTIONS/PRESENTATIONS:**

**Resolution R-169-09** to recognize Rendel Mincey, Horry County Assessor, on being elected as President of the South Carolina Association of Assessing Officials. Ms. Wright presented the resolution to Mr. Mincey. Mr. Mincey thanked Council. **Mr. Worley moved to approve, seconded by Mr. Schwartzkopf. The motion passed unanimously.**

**Resolution R-01-10** amending Resolution R-88-09 to reallocate the distribution of State Accommodations Tax for FY2010. **Mr. Worley moved to approve, seconded by Mr. Schulz.** Chairman Gilland stated that because tourism was down, the ATAX funding was down as well. Mr. Weaver stated there were too many people asking for money and not enough money to go around. They took the money that they normally allocated for Beach Services and Beach Renourishment, which together totaled around \$2.1 million. They were not going to collect that much money this year. Other organizations were clamoring for help to keep their projects going. They proposed that the \$510,000 that was going to beach renourishment be given to the other organizations. They would pay that money back at the rate of \$100,000 a year so that when beach renourishment came around again in about five years, there would be as much money as needed for their contribution towards the full beach renourishment project. Mr. Foxworth asked where did they anticipate the \$100,000 coming from in the future budget, was it general fund money or excess from ATAX. Mr. Worley said it was from equipment. Mr. Weaver said that money was being set aside as a capital reserve fund and Mr. Whitten had said he would be able to meet his equipment obligations with the budget that he had now, less the \$100,000. He stated it wouldn’t be new money coming from the general fund but would be money saved up through Mr. Whitten’s budgetary constraints.

Mr. Weaver stated that Mr. P. Prince had expressed a concern to him about the \$10,000 for Loris, and also Mr. Allen was as equally concerned about the \$10,000 for Aynor. Staff recognized the need for that contribution and will be looking to find an alternative source for those two \$10,000 contributions. He said he could tell them without reservation that the \$10,000 for the two small communities for their festivals would be funded next year from another source.

Mr. Foxworth asked that staff look at sending it all to public safety or beach renourishment and then create a fund of equal value that they could grant out as they saw fit without the oversight of someone either from the north end of Myrtle Beach or Columbia second guessing what they needed to do. He requested that staff give an assessment of what they thought about it as they moved

forward into the next budget process. Mr. Weaver stated they would be prepared for that at the appropriate time.

Mr. Worley said the key to what they were doing was basically the \$510,000 that was going into the renourishment for this year plus an additional \$110,000 from capital savings of equipment would allow them to put \$15,000 in the Garden City Community Association street lighting program, clearing and grass cutting of \$86,223.04, Myrtle Beach Family Campground Association of \$62,832, South Strand Campground Association of \$24,000, \$6500 for Arcadian/Shore Drive Assoc., and Little River Chamber of Commerce \$95,000. **The motion passed with Messrs. Allen and P. Prince voting nay.**

Mr. Weaver stated it was now appropriate to consider the reconsideration of Resolution 168-09 and would be based upon the prior vote, a vote of no should be recorded. **Mr. Barnard moved to disapprove Resolution R-168-09. Mr. Schwartzkopf seconded the motion to disapprove. The motion passed unanimously.**

Resolution to disapprove the following request to amend the official zoning maps: **R-03-10** Maulesh Patel, agent for John Dillon. **Mr. Grabowski moved to approve the disapproval, seconded by Mr. Barnard. The motion passed unanimously.**

**Resolution R-08-10** honoring the courage and bravery of Brenda D. Williams. Mr. Frazier read the resolution and spoke briefly on Ms. Williams. **Mr. Frazier moved to approve, seconded by Mr. Schwartzkopf. The motion passed unanimously.**

Prince moved to approve, seconded by Mr. Schulz.** Kevin Gause spoke in opposition. **The motion passed unanimously.**

First reading of **Ordinance 01-10** to amend the FY2010 budget so as to recognize a projected revenue shortfall, delete budgeted revenue of \$2 million, and delete the same amount of funding set aside for FY2011. **Mr. Schwartzkopf moved to approve, seconded by Mr. Foxworth. The motion passed unanimously.**

Ms. Gilland stated that it would go

back to committee after First Reading. **The motion passed unanimously. The ordinance was referred to the Administration Committee.**
