Dear Prospective Applicant:

Horry County Community Development appreciates your interest in the rehabilitation programs. The County manages several home repair programs funded through the U.S. Department of Housing & Urban Development. HUD programs have specific provisions on determining eligibility of the home and household of which both must be met before assistance is awarded. To help our team determine your pre-eligibility prior to providing you with an application, please complete the pre-screening form.

Also, Horry County, currently has over two hundred rehabilitation applicants on the waiting list. Once the household and the property are determined to meet the minimum qualifications, your pre-screening application will be moved off of the waiting list into the application process. If we determine that your property or household does not meet the minimum qualifications for the program, you will be notified in writing. Our team wants to make this process easy for our applicants. If you need assistance completing the pre-application, please do not hesitate to contact our office.

Sincerely,

A handwritten signature in black ink, appearing to read "Elizabeth Tranter".
